Get ready to step back in time to the prohibition era 1930 gangland Chicago, speakeasies, mobsters, dames and Al Capone! The new show is sure to have your gang talking the talk, walking the walk and singing the songs. Just don't go singing to the coppers it wouldn't be so good for your health. The show is entertaining, hysterical and all new. The show delivers loads of laughs, gangster action, audience interaction and a toe-tapping musical production.
