When you set sail with the crew at Pirates Dinner Adventure, you have front-row seats to an epic, swashbuckling adventure that unfolds before your very eyes! Watch the evil pirate Captain Sebastian the Black as he leads his crew of renegades against our heroes, Benjamin Blue and the beautiful Princess Anita.

Set aboard an 18th-century Spanish galleon with 40-foot masts, the show features action, romance, music, and breathtaking aerial stunts. Anchored in a 300,000-gallon indoor lagoon, the ship has been authentically replicated, with night sky lighting. Keep your eyes peeled, though. You never know when a mermaid or the Leviathan hidden in the deep might appear!

But no show is complete without an audience, and at Pirates Dinner Adventure, our audience plays a special role in each performance. Every night, children, adults, and pirates of all ages have a chance to come on stage and take part in the action. Everyone is invited to cheer and sing along as our pirates fight and swoop through the air, accompanied by cannon blasts, pyrotechnics, and plenty of laughs. It's the world's largest interactive dinner show!
