

FLORIDA STRAWBERRY FESTIVAL

Monday
MARCH 3, 2025

\$145

The Florida Strawberry Festival represents a piece of Americana, a time in American history when fairs and festivals brought communities together through celebrations of their harvests. It has continued to grow in popularity year after year through the preservation of this heritage. Central to its focus, the Festival continues to preserve and enhance the agricultural and historical legacy of the Florida strawberry. Further, steeped in tradition, the Florida Strawberry Festival is an outstanding showcase of the local area. The Florida Strawberry Festival is a great time to discover the charm and allure of Plant City, and it's the perfect time to enjoy eating ripe, luscious strawberries alongside the local berry farmers that have worked hard to bring them to market. More than 10,000 acres of strawberries are planted annually in the local area. In fact, there are some 2,800 farms in Hillsborough County that produce fruit and vegetable crops. This county is now one of the largest agricultural counties in the nation. The diverse farm production includes strawberries, citrus, tomatoes, cucumbers, eggplant, squash, okra, peppers, beans, dairy products, eggs, ornamental horticulture, tropical fish, beef cattle, swine, and other related products.
